Subject: fish pier

hi matt, i wont be able to be at the fishpier meeting i have an app in portland that day. i would like to ask about a few things just the same. want an update on the future pier projects and any timelines. also up date on the camera system. also the pilings by the fuel tanks on the corner have been pulled out, they need some real attention before the fall . i cant see the float being able to stay in through the winter the way then are now. and any info on the dredging you might have?? i can catch up with you sometime after the 1st will be fine. thank you!! and the paintjob on the office down there looks good, it needed that!! thankx again!!.....richard whitman
