Subject: Request to use Dragons Pier for Rockland project

Hello Ray,

Please find attached a letter on behalf of the City asking to use Dragon's pier in order to assist the City in completing a dredging project at the Rockland Fish Pier. The Harbor Master explained to me everything that Dragon was likely to require before granting such a request but we'd be more than happy to discuss including anything else not covered in this letter.

Once again Ray, we really appreciate your help!

Thank you,

Audra
