# Overview of Bureau of Remediation & Waste Management

Joint ACEC/DEP Engineering
Technical Seminar
May 8, 2013

MAINE DEPARTMENT OF ENVIRONMENTAL PROTECTION

Protecting Maine's Air, Land and Water

Overall Bureau Organization

Division of Remediation

- Superfund (CERCLA) sites
- Uncontrolled sites
- Dept. of Defense facilities
- Formerly used Defense facilities (FFUDs)
- Brownfields sites
- Voluntary Remedial Action (VRAP) sites
- Dry cleaner sites
- Lead and asbestos abatement program
- Municipal landfill C&R program

Division of Response Services

- Response to coastal spills
- Transportation incidents
- Home heating oil spills
- UST removals/replacements
- Incident response (Deepwater Horizon)
- Enforcement (meth labs)
- Homeowner complaints
- Staff in four regional offices

Division of Oil & Hazardous Waste Facilities

- Licensing/enforcement of TSD facilities
- Regulation of Terminals
- Corrective measures
- Biomedical waste
- Closure/post-closure stewardship
- UST licensing inspections/enforcement
- Universal/household hazardous waste
- Hazardous waste transporter licensing

Division of Solid Waste Regulation

- Regulation of solid waste transfer, storage, processing, and disposal facilities
- Licensing of non-hazardous waste transporters
- Beneficial use of residuals
- Landfill gas collection and re-use
- Biomass facilities

Sustainability Unit

- Product stewardship program

- Environmental Leader program

- Residuals and sludge composting

- E-waste (computers, CRTs, batteries, thermostats) recycling

- Safer Chemicals in Children's Products

- Pharmaceuticals take-back program
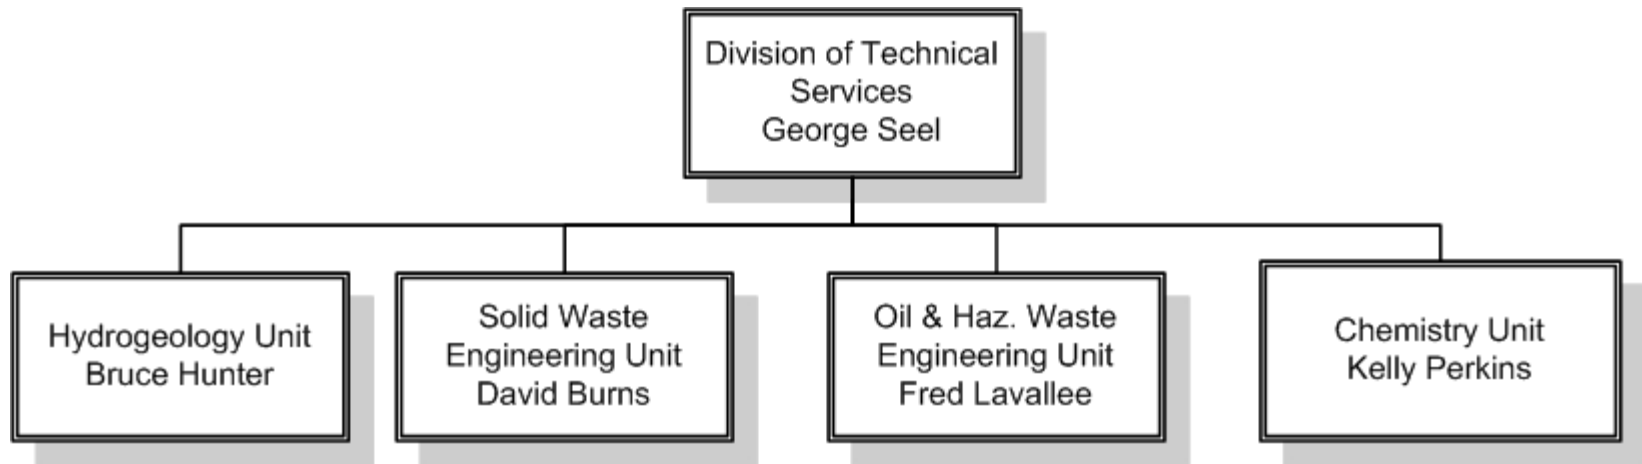

- Toxic chemical reduction

Division of Technical Services

- Engineering, geological, and chemistry support of all BRWM programs

- Management of long-term petroleum remediation projects

- Home heating oil AST replacement program

- SPCC technical assistance and inspections

- Maintenance of EGAD database

- Evaluation of innovative remediation products and techniques

- Assistance to Groundwater Fund Review Board (FIRB)

- Development of technical guidance documents
