

New England Aqua Ventus Demonstration Offshore Wind Project

Draft – Agency Meeting Agenda for

May 4, 2017 1:00 – 3:00 P.M.

Holocaust and Human Rights Center of Maine at University of Maine Augusta

46 University Drive, Augusta, ME 04330

Conference Call # 603-610-7052 Call ID # 213339

Purpose: Provide a brief status update for the project, and then provide a forum to discuss roles, responsibilities, timelines and information needs of regulatory agencies in the NEPA Process, and also in separate state and federal permitting efforts.

- **Project Status Overview**
- **Current Project Description**
- **Regulatory Process Roundtable (Discussion of major tasks, agency consultation components, anticipated timeframes, and issues to consider)**
 - **Public Outreach Update**
 - **Department of Energy’s NEPA Process**
 - **US Army Corps of Engineers Permitting and role in the NEPA Process**
 - **US Coast Guard – Navigation Safety**
 - **Maine Department of Environmental General Permitting**
 - **MDEP National Resources Protection Act Permitting**
- **Next Steps**
 - **Discuss need and timing of subsequent meetings**
 - **Distribute meeting summary and list of process requirements and timelines**
 -
