Dear Mr.Green,

Below ia a nautical chart showing, roughly, the position of the proposed Ward Pier at 37 Shag Rock Road (Frohock Point). Is the cable area a concern?
Seems like it ought to be right? Unless it is no longer there but why would it be on a chart if it is no longer accurate?
Could you also advise me as to when the comment period ends for this pier application?

Thank You,

John Pincince
