You probably should send two – one for Ken and one for me. I just like paper copies of larger applications.

Sure thing. I'll get one there as well. I didn't send one originally. With the digital submission we've been waiting on instructions for how many hard copies. Should I always send one to start though?

Chip,

Is there one at our office? If not, can you send one.

Thank you

Hi Jessie,
I'm having one over-nighted and it should be at their office tomorrow.

Apologies for the confusion. I'm not sure what happened to the original one but I'll drive this one down there myself if I have to!

Thanks,

Chip,

I just wanted to make sure that you sent a paper copy of the application to the Town and to the Bangor DEP office.

Thank you,
Jessie
