Chip,

There still is only one paper copy, can you send another one by Monday afternoon?
Thank you

Yes that does, thanks.

We'll send one more hard copy of the three applications.

Thanks!

I need two full copies, I am going to use one for my review but I can hand that over to Ken once I am done reviewing it. The second copy is up front so people can look at it. Does that make sense?

Just re-read your email and want to make sure I get what you need.

There should have been one copy that was delivered yesterday I'm told. Would you like one more full copy of all applications for public inspection and one package with Ken's SLODA sections (1, 11, 12, and 14 with plans)?

Thanks,

Subject: Salmons Application

Chip,

Can you send an additional paper copy of the application as soon as you can? We need one for the public to look at and one for Ken.

Thank you,
Jessie
