Kim,

The Department returned the applications as deficient. If they re-submit and we accept the applications as complete, we will put them on our website.

Thank you,
Jessica Damon

Hi Jessica,

It is my understanding that today was the day when DEP would determine whether the Salmons Inc permit applications for the pier and processing facility would be considered complete or rejected.

Can you provide an update on that decision?
If deemed complete, can you provide a link to the applications on the DEP website?

Thanks much,
Kim
