Project Description:

Removal of inactive above ground piping and associated wooden scaffolding along Stockton Harbor.

REQUIRED:

Photographs showing the finished activity must be submitted within 20 days of the activity's completion. The photographs must be sent with a copy of the notification form or labeled with the applicant's name and the town in which the activity took place.

Notes:

Please ensure that the contractor or site operator has read Chapter 305, Section 12 (C) and fully understands the standards that they have agreed to.
