**Re: Voluntary Response Action Program (VRAP)
General Alum New England Corporation | 34 Kidder Point Road | Searsport, Maine**

Dear Mr. Hodgkins:

Enclosed are the following documents associated with the recent VRAP investigations completed for the property located at 34 Kidder Point Road in Searsport, Maine and identified by the Town of Searsport Tax Assessor's Office as Lots 82 and 83 of Tax Map 7 (the Site). These recent investigations were completed along the intertidal area and within an area of interest (Lot 83) by CES for, and at the request of, GAC Chemical in support of their VRAP application submitted to the Maine Department of Environmental Protection (MDEP) on August 27, 2014.

- ♦ *Investigations Summary Report*, CES, November 2014.
- ♦ *Remediation and Shoreland Stabilization Plan*, CES, November 2014.
- ♦ *Public Communications Plan*, CES, November 2014.

We look forward to discussing the findings, conclusions, and recommendations with you once you have had an opportunity to review the documents provided.

Sincerely,
CES, Inc.
