Excavation {G}

**Disposal Information****IV. NARRATIVE**

Jon Andrews, primary responder for this report was no longer employed by the state of Maine when this report was written. This report represents a spill of a small amount of diesel fuel at the Dragon facility in Thomaston. There are no notes or further information left by Mr. Andrews as to the cause of the spill or disposition of waste material. It is assumed that the clean up was conducted to Mr. Andrews satisfaction.
