Dear Mr. Thongsavanh

Thank you for your April 5th letter. Enclosed was your cover letter, your notarized letter to Commissioner Ponte, and your list of ideas/issues/facts pertaining to transfers.

I will let you know the results of my initial review of your records, which should happen shortly.

Your ideas were folded into a draft set of new policies for Maine DOC's new commissioner to consider. That draft was sent him today ( April 12, 2011). We will find out what he thinks later this week or early next week. As you know he fired his associate commissioners including Harold Doughty who managed interstate compact with his underling Theriault, so there is hope the guy may really want to carry out some reforms.

My apologies about the radio station phone, if that was you last Saturday; someone has reset the system to reject collect phone calls. I will get that straightened out. The call in # is 207-593-0013 the show is Saturday 1-2pm

Best wishes

Ron Huber, for
