To: Judge Garvey

Main Prisoner Advocacy Coalition.

Dear Judge.

I am Stephen hooks Grandmother.

Myrna Reynolds. I have hesitated to write
to anyone else because I never got an answer.

I sent 8 pages to Marco Rubio And he sent
it all back to me unopened. He ran for Congress
in Florida on Prison Reform. Let me tell

you the conditions in the prisons there.

Can you believe with all the heat - NO Air

conditioning except in 1 prison. Stephen was

there at Union and Air conditioning was on all

winter. Now they have transferred him to

Santa Rosa on the border of Alabama. I have

been struggling to get by to be in Florida to visit

him. I only got one visit while there. All winter I stopped on my way home & MAINE they made me lose a week to wait for a visit. - NO CONTACT - behind bars what a horrible nightmare!! I did get to buy him food. How generous of them. Now he has been sent so far away I can't afford to go there. AS FAR AS I know there is no change in policy there. I was supposed to have a phone call once a month. I talked to Steve 2 times and I have paid \$100 to the phone company to hear from him. I AM Stephens legal Mom. I adopted him in 1993.

What I need is AN APPOINTMENT to talk to some members of the Coalition. I have a horror story to tell. I can't get anyone to listen to me. I have letters and signed petitions from family & friends all over

(3)

MAINE. There is a Story here someone was to
hear. I Paid \$1000 to ALK Legal Services and
was supposed to pay \$800 more. But when I
couldn't get them on the phone I stopped paying
them and kept supporting Steve.

I am 83 years old July 22. Healthly
still working to help Steve financially.

I drive to Florida - pay lot rent and
have not much left over. This is a hardship
big time for me.

I cannot say all I need to in a
letter - so if I get an appointment in
the last of Sept. I would appreciate it so
much. I have family in Down East Area so
will be visiting there before going to Florida.
Please give this your attention for me I
am grasping at straws here.

Thank you

Mylene Reynolds
